Choose your favorite six chapter books that you have read this school year. For each book, write a review (mini saga). This review will be posted on your own personal webpage as part of the fourth grade classroom website.

At Home:

- Choose your five books
- Write a mini saga (50 to 75 words) on each book.

At School:

- Write a review on one of the books that we have read in the classroom. This review will count as one of the six and will also serve as an example for the other reviews at home.
- Find pictures/graphics to place on your webpage
- Final editing and posting on your webpage

Book Requirements:

- You may choose only one book in a series. (For example you can have only one Harry Potter book in your list)

- The final reviews on May 30th should be submitted via email or flash drive (I have flash drives available, along with laptops if needed)
